I went to the pre-luncheon meeting last Friday where the topic was MOA and PBMAS.

Clear Creek ISD had an MOA audit in 2016. Our audit went very well.

Here is the link to the documents I submitted to TEA for the information they requested. There is also an agenda of the onsite meetings so you can see who they met with. I was present for all of these meetings. Filename is "*Clear Creek ISD MOA Itinerary-Onsite VisitV2*"

Also, they asked us to administer an online student survey for their data collection purposes and we declined.
